

**HOLY HEARTS EDUCATIONAL ACADEMY
CIVIL LINES, RAIPUR (C.G)
AFFILIATION NO: 3330020**

ANNUAL REPORT (SESSION 2024 – 25)

Mission of the School

Our mission is to provide a holistic education that nurtures intellectual, emotional and physical growth to the students, empowering them to become lifelong learners, responsible citizens and compassionate individuals, so that they can contribute in a positive manner to society. We aim to foster love for learning, critical thinking and ethical values in a nurturing and inclusive environment.

Vision of the School

Our vision is to create a dynamic learning community that inspires academic excellence, creativity, and innovation. We envision our students growing into confident, self-reliant individuals with a global perspective and a strong sense of moral responsibility. Our goal is to equip them with knowledge, skills and values necessary to meet future challenges.

Academic Year 2024-25

It was a year of growth and achievements for us. We focused on holistic development through academics, co-curricular activities and social initiatives. New teaching methods, digital tools, were integrated to enhance classroom experiences. The learners participated in various competitions, excelling in academics, sports and cultural events. With the collective efforts of the students, the teachers and the parents, this session proved to be a successful and a memorable year, moving a step ahead towards a strong foundation of our future.

Parent-Teacher Association (PTA)

The Parent-Teacher Association plays a vital role in building a strong relationship between the school and the parent community. The PTA ensures regular communication and collaboration to support students' overall development. The PTA meetings were held regularly at Holy Hearts to discuss students' progress and the improvisations done by the school for the holistic development of the student. We are grateful for the active involvement of the parents that has helped us strengthen our efforts in creating a nurturing and supportive learning environment for our students.

Infrastructural Development (2024-2025)

The academic session 2024-2025 witnessed significant developments in the infrastructure of the school building, to ensure a better learning environment to the students. Key developments include:

- **Smart Classrooms:** Installation of smart boards and digital teaching aids in all the classrooms.
- **Computer Lab:** Upgraded with new computers and faster internet connectivity to support digital learning.
- **Science Lab:** Separate labs for Physics, Chemistry and Biology with appropriate equipment and safety equipment, such as gloves and fire extinguishers. Workstations with sinks, gas connections and electrical outlets.
- **Library Expansion:** Enhanced new books and digital resources to encourage reading habits among the students.
- **Playground Renovation:** Advanced sports facilities with a dedicated play area for various sports activities.
- **Safety Measures:** Installation of CCTV cameras and fire safety equipment to ensure a secure campus.
- **Sanitation and Cleanliness:** Renovation of washrooms and improved sanitation facilities to maintain hygiene.
- **Music Room:** Various musical instruments were procured to provide opportunity to the students to learn and grow.

- **Sports Room:** Equipped with a variety of sports-equipment. Spacious designated areas for indoor sports like Badminton, Table Tennis, Volley Ball, Basket Ball, etc.

The infrastructural developments have enhanced the teaching-learning experience, ensuring students have access to all modern facilities, for academics and co-curricular activities.

TEAM OF TEACHERS (2024-2025)

Our dedicated and passionate staff is the backbone of our educational success. The school includes a team of highly qualified and experienced teachers who are committed not only towards fostering academic excellence but also the holistic development of each child.

Key highlights include:

- **Total Staff Members:** [130]
- **Teaching Staff:** Subject specialised teachers across various disciplines.
- **Support Staff:** Includes administrative, counselling and ancillary staff.
- **Professional Development:** Teachers attended workshops on modern pedagogies and student's well-being to enhance their skills.

Our staffs' dedication and consistent professional growth, ensures that students procure the best education and guidance to the fullest.

Ms. Neha Byadwal Qualifies UPSC 2023

Felicitation Ceremony (25th April, 2024) :

A joyous felicitation ceremony was conducted in the school premises for Ms. Neha Byadwal, on qualifying the UPSC Exam 2023. As an alumni she made the school and the teachers proud of her.

Trainings, Seminars, Counselling and Orientations.

Throughout the academic year 2024-2025, we focused on the continuous professional and academic development for both staff and students. Teachers training programs included workshops on innovative teaching methods, student-centred learning, and the use of digital tools in classrooms were conducted.

Seminars on leadership and pedagogy helped our teachers improve their mentoring skills. Counselling services were provided for both, students and staff, addressing academic, emotional, and career-related concerns, also promoting mental well-being. Additionally, orientation programs for new students and parents were held to ensure a smooth transition and foster strong collaboration between the school and home. These initiatives aimed at enhancing the overall learning experience, as well as personal and professional growth among the teachers and students.

1. Comprehensive Life-Saving Skills training on 6th May 2024

The workshop was conducted by Dr. Anisha Nagariya. It was equipped with knowledge and skills required to respond effectively, to emergency situations, including CPR, and the use of AED's.

2. POCSO (Awareness Seminar)

On the 8th and 9th of May 2024, our school hosted a seminar on the Protection of Children from Sexual Offences (POCSO) Act for teachers, led by Dr. Shivli Srivastava. The session focused on preventing child abuse, recognising good touch and bad touch, understanding legal responsibilities.

3. CBP – Learning Outcomes & Pedagogy

A CBSE training session on learning outcomes and pedagogy for 60 participants, led by Mr. Anurag Gulal and Mrs. Chitra V was conducted in our school. The session covered classroom management, students' engagement and innovative teaching through discussions, activities and MCQ test. Teachers exchanged ideas, making it an insightful and interactive event.

4. Workshop on GST

On 1st July 2024, our institution hosted a workshop on Goods and Services Tax (GST) for Commerce Students, featuring Mr. Gopal Prasad Joshi, an esteemed officer from the Indian Revenue Service (IRS) serving as Assistant Commissioner of Central GST in Raipur. The seminar provided a comprehensive overview of GST, its inception, and its impact on the Indian economy since its implementation.

5. Workshop by IHTM University

On 16th October 2024 IHTM University conducted the "Cook Smart" workshop at our school. Around 170 students had the wonderful opportunity to explore various career opportunities in the field of hospitality management. Dr. Saurabh Dwivedi, General Manager Marketing, ITM University, Raipur, hosted the workshop. The workshop didn't only educate the students with the skills of cooking but also the nutritional way of preparing dishes in short time and that to very easy to prepare. The eating etiquettes such as table manners, proper sitting posture, how to use cutlery were also taught to the children. Children enjoyed it thoroughly.

Pedal Pe Medal

“Cycling is not just a way to move forward, it’s a way to grow stronger!”

Pedal pe Medal is an initiative enforced by our honourable Singh Sir to encourage the students to ride to school, it is an endeavour to promote a healthier lifestyle and contribute for a more sustainable future. He affirms that starting the day with a bicycle ride not only energises the body and mind but also helps the students to stay fit and focused. Cycling to school will give the benefits of good health and contribute a positive impact on the environment. Singh Sir emphasises that riding to school is not just about reaching the destination but about embracing the journey of self-improvement. He inspires the students to think of every pedal, as a small step towards a greener and healthier tomorrow, encouraging them to be a larger part of the movement towards ecological sustainability.

To encourage cycling to school, the management rewards Rs. 1000/- to students, who buy a new bicycle and an additional Rs. 1000/- to those who cycle to school, throughout the academic session.

CLUBS

To foster, a deeper interest and dedication in various fields, our school has thirteen specialised clubs. They are the Literature Club, Maths Club, Science Club, Arts and Crafts Club, IT Club, Sanskar Club, Dakshin Koushal Club, Nirbhaya Club, Magazine Club, Photography Club, Eco Club, Sports Club, Info Club. These clubs provide platforms and opportunities to the students to explore and develop their passions in specific areas, allowing them to actively engage in activities that align with their interests. Through these clubs, the students are encouraged to enhance their skills, collaborate with peers and participate in diverse events that nurture their academic and personal growth.

Celebrations

1. Annual Function (2024-25)

The Annual Function for the session 2024- 25 was themed “**Jayatu Jayatu Bharatam**”. It was held on 9th December 2024, at the Deen Dayal Upadhyaya Auditorium, Raipur. Prof. Sacchidanand Shukla, the Honourable Vice Chancellor, of Pt. Shankar University was the Chief Guest. The event featured cultural performances themed on patriotism, social development, progressive nation and the saluted the honour of each and every Indian. The celebration honoured Freedom fighters, National leaders and industrialists inspiring the students with a sense of pride and patriotism.

Awards to the academic achievers, sports achievers and our alumni were distributed. The Principal, Mrs. Neepa Chauhan presented the Annual Report, highlighting the achievements of the school.

2. Sports Day- ‘Sportica 2024-25’

On 24th December 2024 the annual sports meet was organized on the lush green fields of The Great India School. It began with the flag hoisting, followed by the motivating speech of the Chief Guest Miss Naina Singh Dhakad, the first woman mountaineer to scale the summit of Mt. Everest from Chattisgarh. Various sports competitions took place like shooting, discus throw, cricket, volleyball, flat race, relay race, tug of war and many more. The winners were accoladed by our Chairperson Acharya Surendra Pratap Singh, Naina Singh Dhakad, and Principal Neepa Chauhan. Mother Teresa House won the trophy for the Best Sports performance for the session.

3. Special Days

Dedicated observances such as Science Day, Environment Day, Teachers’ Day, Yoga Day, Hareli and Childrens’ Day were celebrated with great enthusiasm. These occasions were marked by meticulous curated activities and events that aligned with the respective themes,

fostering awareness, engagement and a deeper appreciation of its significance among students.

4. Founder's Day

The School Foundation Day is commemorated with great fervour and zeal annually in the school premises. This significant occasion coincides with the birth anniversary of our esteemed founder, Late Amita Singh Ma'am. It serves as a heartfelt tribute to her vision and legacy. The celebration fosters a sense of unity and collective spirit reminding everyone of their integral role in strengthening the school community.

5. Class-Wise Assembly

Class and section wise assembly is conducted in our school. The students engage in dynamic presentations, including skits, speeches, musical performances and thematic showcases. These assembly serve as a platform for fostering public speaking skills, teamwork and creative expressions. By exploring diverse topics, students not only enhance their confidence but also cultivate a deeper understanding of social, cultural and educational themes in an interactive and inspiring environment.

6. Competitions

Every individual possesses unique talents and it is the role of a teacher to ignite and nurture these innate qualities. Co-curricular activities play a pivotal role in this process, providing students with opportunities to explore and refine their abilities. This year, myriad competitions likes Extempore, Quiz, Speech, Photography, Newspaper Making, Cartoon Making, Rangoli, Garba, Drawing, and Slogan Writing and many more competitions were organised. Our students exhibited exceptional enthusiasm and confidence during their participation in these events. It was an authentic platform to showcase their diverse skills and creativity.

6. Festivities

At Holy Hearts, we prioritise instilling a sense of social responsibility in all our students. Every year, ***EK DIYA KHUSHI KA***, is a heartfelt initiative aimed for spreading joy during Diwali is organized in our school. The students decorate earthen lamps, which are then sold. The proceeds are donated to orphanages and old-age homes. This small but meaningful effort brings smiles to those in need, embodying our commitment to making a positive impact in the community.

We observe and celebrate all the National festivals such as Independence Day, Republic Day and Gandhi Jayanti to pay honour to our country and its citizens with profound respect and patriotism. We celebrate Basant Panchami every year, to worship Goddess Saraswati, to seek the blessings of wisdom and knowledge for our students.

8. Investiture Ceremony.

The Investiture Ceremony was conducted with utmost solemnity and grandeur, symbolizing the official conferral of responsibilities upon the newly elected student leaders. This prestigious event fostered a profound sense of accountability, leadership and dedication, empowering students to embody the ethos of the institution and serve as role models of integrity and excellence.

Industry Visits

1. Visit to 94.3 MYFM Radio Station - On 3rd August 2024, the senior students of Legal Studies, Music and Dance Department as well as Humanities faculty visited the local FM station to learn about radio broadcasting. They toured the recording studio, control room and editing suite, gaining insights into production and live shows. The key highlight was the interaction with RJs Animesh, Ankita, and Rohit, who shared their experiences. The visit provided valuable exposure to media operations.
2. IT Trip to SSIPMT Raipur - On 30th August 2024, the students of Computer Sciences & Web Application, visited SSIPMT, Raipur. They attended a seminar on IT advancements and career

opportunities, explored 3D printing, AI, and coding projects and witnessed an exciting drone show. The visit served to be educational and inspiring.

3. Dainik Bhaskar Printing Press Visit - On 25th June 2024, the students of class XII Commerce visited Dainik Bhaskar printing press, gaining insights into design, printing, and quality control. They observed live printing and learned about media technology. The experience was insightful for the future career.
4. Dev- Leela Bio Tech Lab Visit- on the 24th of June the Biology students of class 12th visited Biotechnology laboratory Devleela with faculties to understand about the technology, career opportunities and scope in Biotechnology. It was a learning experience with exposure towards tissue culture, also they got opportunity to see tissues getting converted and transformed into plants. Overall it was an amazing opportunity for everyone and the students made most out of it.

5. Agricultural College Visit – A group of 54 enthusiastic students from Science stream of classes XI & XII visited the Rashtriya Kisan Mela, a national-level agricultural fair, on 24th Oct'24 along with the escort teachers. The event, was organized by the IGKV, Raipur from 22nd to 25th October 2024, and aimed to promote agricultural growth, technological development, and farmers' welfare.
6. CIPET Visit – Students of the science stream of class XI & XII were taken for a departmental visit to CIPET, situated at Khamtarai Raipur on 26th June 2024. It was established in 1968 by the Government of India with the assistance of the United Nations Development Programme (UNDP). Its primary objective was to develop skilled manpower in various disciplines of Plastics Engineering & Technology. The visit to CIPET was an enriching experience for the students, providing them with a deeper understanding of the plastics industry and its significance in the modern world. It also provided valuable insights into the world of plastic engineering and technology.
7. Muktangan Visit – on 25th June' 2024 Art Department, enjoyed an educational trip to Muktangan, in Naya Raipur, a beautiful lush green garden decorated with huge tribal art sculptures. It didn't take much time for students to choose views to paint and settle down for painting the scenic beauty and experience the thrill of Painting under the open sky.

8. Khairagarh University Visit – 26th October 2024, the students of the Fine Arts and Performing Arts department went for one-day trip to art town Indira Kala Sangeet Vishwavidyalaya, Khairagarh . It was an educational tour for the enhancement of knowledge of painting, dance and music students of standard 11th and 12th. They not only explored the areas related to respective subjects but also experienced the magnitude and dimensions of Fine Art & Performing Art.
9. Physical Education Departmental Vist - Our school organized a field trip to for the students of class XI and XII of the Physical Education Department to participate in the Inter-School Sports Meet. The event was held at TGIS on 26th October 2024. Our team consisted of 50 students who participated in three different sports: Kho-Kho, Volleyball, and Basketball. The trip was an invaluable experience for our students, teaching them essential life skills such as teamwork, discipline, and sportsmanship. The students also had the opportunity to interact with students from other schools, promoting camaraderie and friendship.
10. **Khelo India Rising Talent Identification (KIRTI) 2024 -** Around 400 students of our participated in KIRTI 2024, at Balbir Singh Juneja Indoor Stadium, Raipur. The event included physical assessments and sports like football, volleyball, and archery. The participants displayed enthusiasm and received certificates. Our School Manager, Mr. Ashutosh Singh along with the sports department were present to motivate the students.

Education & Career Fair 2024-25

“RIGHT DECISION WITH RIGHT EDUCATION”

A Career Guidance and Educational Fair was organized, on 22nd Nov’ 2024, for the students of grades 10th to 12th. Expertise from 25

universities guided the students on career options, competitive exams and admissions. The event helped the students to analyse career options and take right decisions. Branded Universities like Amity, Parul, Jagran, Modi, and many more were present in our campus to promote different courses post school education. This gave the students hundreds of options as their career in their future.

Pariksha Pe Charcha Quiz Competition - On 23rd January 2025, five of our students participated in an Inter School Quiz at KV-1, Raipur, commemorating Netaji Subhash Chandra Bose. More than 200 students competed in the quiz, on unsung freedom fighters. Miss Ishika Kukreja scored 95/100, qualifying for the tie-breaker round. The event anchored spontaneity and patriotism.

Excursion Trips : A journey into the wild ---

Two excursion trips to the were organized by the school for the secondary and senior secondary students to the beautiful wildlife sanctuary – Kanha National Park. The 1st trip was conducted for the students of class X & XII (28th to 30th November 2024) and the 2nd trip was for the students of class IX & XI (18th December to 20th December 2024)

The students embarked on an educational excursion to Kanha National Park, Madhya Pradesh. This trip aimed to provide students with firsthand experience of India's rich biodiversity and to instil a deeper understanding of wildlife conservation. The trip was meticulously planned to ensure a perfect blend of education and entertainment. Our itinerary included interactive sessions with park rangers, who shed light on conservation efforts and the importance of preserving our natural heritage.

Picnic to Gangrel Dam: A blend of Learning and recreation

On 31st Jan' 2025, Students from Classes VI to IX and XI initiated an educational excursion to Gangrel Dam, located in the Dhamtari district of Chhattisgarh. This trip aimed to provide the students with the experience of hydropower generation, water resource management, and to appreciate the natural beauty of the region. The students were captivated by the dam's impressive structure, stretching approximately 1830 meters across the Mahanadi.

Achievements of Pre-primary and primary.

This year our classrooms have been transformed into smart learning spaces, equipped with cutting edge technology. This enables our teachers to employ innovative teaching methods and create engaging learning experiences. Our teachers use various teaching aids and activities to enhance the teaching methods. Our well equipped Computer lab provides students with opportunities to develop essential digital skills.

We have made a strong emphasis on academic excellence, and this year, we introduced a rigorous system of chapter wise class test to monitor student progress. Our students have consistently exceeded in various Olympiads and actively participated in CBSE expression series, showcasing their talents and dedication. This year we have also introduced Junior Olympiads for preprimary students.

In alignment with the National Education Policy (NEP) we have integrated 21st century skills into our curriculum. Our pre-primary section organises a variety of competitions and activities to stimulate cognitive and psychomotor development. Similarly, our primary section conducts competitions every Saturday like quizzes, debates, extempores, speeches recitations to enhance literacy skills, team building and critical thinking skills and competitions like hand bag making, biscuit topping, kalash decoration, wrist watch making, eco friendly rakhi just to name a few to enhance their motor skills, creativity and imagination.

We believe in fostering a holistic development of our students. Through various celebrations like Grandparents Day, Ganesh Chaturthi, Janmashtami, and Christmas, we instil in them a deep appreciation for our rich cultural heritage.

Our vibrant club activities, sports programmes and karate trainings, provides ample opportunities for students to explore their interest and talents. We are proud to share that several of our students have achieved remarkable success at the state level in sports like badminton, table-tennis, karate and swimming.

Looking ahead we are committed to further enhancing our educational offerings and equipped our students with the tools they need to succeed in the 21st century

***Academic Enhancement Program*-**

Academic enhancement program focused on the improvement of the students academic performance and skills. Different programs were implemented at various levels, from middle school to senior secondary classes, to focus on specific areas like study and practice habits, enhancement of subject-specific knowledge.

***Subject Specific Skill Development Classes for class IX & X* -**

It focused on developing effective study strategies, time management, and organizational skills, helping the cream students to polish their capabilities and become more efficient learners and improve their

performance during the exams. The classes focused on the tips and tricks that could help improve the scorings of the students.

***Learning Enhancement and Focus 20 Program for class XI - XII & VI - X respectively*-**

Teachers conducted extra classes to enhance specific skills of the slow bloomers like reading comprehension, writing, and critical thinking, providing students with the tools to develop and succeed in their weak areas of the specific subjects and grow academically.

Special Support for specific subjects helped them focus on particular subject areas, offering targeted support to students who were struggling with specific concepts.

Special one hour classes were organised for students of class XI - XII, post school hours to

Bridge the learning gaps, and help them identify and address learning skills.

To ensure students have a strong foundation in essential knowledge *Focus 20* classes were organised for the slow bloomers of classes VI to X. It helped the students increase their confidence and be motivated by providing them a supportive and structured environment. Mentors fostered a sense of confidence and motivation, by encouraging students to pursue their academic goals. They focused on every slow bloomer with their personal touch to polish and upgrade the students academic skills.

Mega Classes for class X & XII - Mega orientation classes were conducted subject wise for the board students in between the CBSE exams to highlight on the paper solving tips and tricks, time management skills, focusing on important scoring topics. This helped the students to streamline with the concepts and scoring values upcoming exam.

The academic results proved that the extra efforts done by the teachers on both the level of students yielded fruits and gave a hike to the board results.
