Core Mission of the Institution

Our mission is to inspire and educate students through a well-balanced and value-based learning experience that promotes academic excellence, creativity, and personal growth. We are committed to nurturing curious minds, building confidence, and developing strong moral character in every learner. Through a safe, inclusive, and stimulating environment, we encourage critical thinking, innovation, and a lifelong passion for knowledge. We strive to empower our students to become responsible, empathetic, and globally aware citizens who contribute positively to their communities and the world.

Future Vision of the Institution

Our vision is to cultivate a vibrant and progressive learning community that promotes academic distinction, creativity, and innovation. We aspire to shape students into confident, self-reliant, and forward-thinking individuals who possess a global outlook and a deep sense of integrity and social responsibility. Through a strong foundation of knowledge, skills, and values, we aim to prepare our learners to face future challenges with resilience, wisdom, and leadership.

A Glimpse of the Academic Session 2025–26

The academic session 2025–26 marked a significant year of progress, learning, and accomplishment for the Holy Hearts family. Throughout the year, the school remained committed to fostering the holistic development of its students by integrating academic excellence with a wide range of co-curricular and social initiatives. Innovative pedagogical practices, the effective use of digital tools, and interactive learning strategies were incorporated to enrich the classroom experiences and promote deeper understanding.

Students actively participated in numerous competitions and activities, demonstrating remarkable talent and enthusiasm in academics, sports, and cultural events. Their achievements reflected dedication, teamwork, and a spirit of healthy competition.

The unwavering support and collaborative efforts of students, teachers, and parents played a vital role in making this session both successful and memorable. Together, we have moved a step forward in strengthening the foundation for a bright and promising future.

Unveiling of School Annual Book “SANKALP”

Holy Hearts Educational Academy had the privilege of welcoming Hon'ble Union Minister Shri Giriraj Singh during his visit to Raipur. The distinguished guest interacted with students, teachers, and eminent citizens, sharing his vision for a Developed India (Viksit Bharat 2047) and highlighting the achievements of the Government of India.

During the interactive session, Shri Giriraj Singh encouraged students to embrace the values of discipline, dedication, patriotism, and social responsibility. He motivated the young generation to actively contribute towards nation-building and become responsible citizens of the country.

The Hon'ble Minister also spoke about the importance of self-reliance (Atmanirbhar Bharat) and emphasized the need for educational institutions to adopt sustainable practices such as solar energy, contributing to environmental conservation and national development.

The event provided a valuable learning experience for students, offering them insights into leadership, public service, and the vision of a progressive India. The school community expressed its gratitude for the inspiring interaction and the opportunity to engage with a national leader.

The program was attended by distinguished guests, public representatives, school management members, teachers, and students, making it a memorable and motivating occasion for all.

Pariksha Pe Charcha Visit

Pariksha Pe Charcha Visit: Students of Holy Hearts Educational Academy attended an interactive session at Raj Bhavan, Raipur, on 25th January 2026, as part of Pariksha Pe Charcha. The session provided students with an opportunity to engage with the Honourable Governor and gain valuable insights on managing exam stress, time management, and maintaining holistic well-being.

The Governor encouraged the students to approach examinations with confidence and a positive mindset. The interaction, along with the live screening and discussion, proved to be highly motivating and enriching.

The visit left students inspired, better prepared, and more confident to face their academic challenges.

Parent–Teacher Association

The Parent–Teacher Collaboration played a pivotal role in fostering a strong and meaningful partnership between the school and the parent community. It served as an effective platform for open communication, mutual understanding, and collaborative efforts aimed at supporting the overall growth and well-being of the students.

Regular Parent–Teacher meetings were conducted at Holy Hearts to discuss students' academic progress, address concerns, and share valuable insights regarding the various initiatives undertaken by the school for the holistic development of learners. These interactions provided an opportunity to strengthen the bond between parents and educators, ensuring a shared commitment towards the students' success.

We sincerely appreciate the enthusiastic participation and continued support of the parents, whose involvement has significantly contributed to creating a nurturing, encouraging, and progressive learning environment for our students.

Augmentation of Campus Facilities (2025–2026)

The academic session 2025–2026 witnessed remarkable advancements in the school's infrastructure, reflecting the institution's commitment to providing a safe, inclusive, and technologically enriched learning environment for its students. Continuous efforts were made to refurbish the campus and upgrade facilities to support both academic excellence and holistic development. The key developments undertaken during the session include:

Smart Classrooms: All classrooms were equipped with smart boards and advanced digital teaching aids to facilitate interactive and technology-enabled learning.

Computer Laboratory: The computer lab was upgraded with modern computer systems and high-speed internet connectivity to strengthen digital literacy and support technology-based education.

Web-App Computer Room for Senior Students: A separate and well-equipped computer room especially for the WEB-Application faculty was constructed in the 2nd floor of senior wing building to facilitate the students with advanced computer learning, research, and project-based work.

Science Laboratories: Well-organized and fully equipped separate laboratories for Physics, Chemistry, and Biology were developed. These labs include modern apparatus, workstations with sinks, gas connections, and electrical outlets, along with essential safety provisions such as gloves and fire extinguishers.

Library Expansion: The school library was enriched with a wide collection of new books, reference materials, and digital resources to promote reading habits and intellectual curiosity among students. An add-on of about 2000 books were made this year to enhance the reading skills of the students.

Playground Renovation: The playground was renovated and upgraded with improved sports facilities and dedicated areas for various outdoor sports activities, encouraging physical fitness and team spirit.

HVLS Ceiling Fan- A Big High Volume Low Speed Fan was installed in the Yoga Mandapam for the comfort of the parents and students during the celebration and assembly durations. The aerodynamic design circulates the air at high volume with zero noise pollution.

Sports Room: A spacious sports room was established and equipped with a wide range of sports equipment. Designated areas were arranged for indoor games such as Badminton, Table Tennis, Volleyball, and Basketball, enabling students to actively participate in sports.

Music Room: A dedicated music room was developed with various musical instruments to nurture the artistic talents of students and provide opportunities for creative expression.

Canteen Facility: A well-maintained canteen facility was introduced within the campus to provide students and staff with hygienic and nutritious refreshments in a comfortable setting.

Safety Measures: The installation of CCTV cameras across the campus and the provision of modern fire-safety equipment have significantly strengthened the overall security and safety of the school premises.

Infirmity Room: A new Infirmity Room has been established in the school to ensure the health and well-being of students. The room is well-equipped with basic medical facilities along with a nursing staff to provide immediate care in case of illness or minor injuries to the students and school staff during school hours. This initiative reflects the school's commitment to maintaining a safe and supportive environment for all students.

Sanitation and Hygiene: Washrooms were renovated and sanitation facilities were further improved to ensure a clean and hygienic environment for all.

Accessible Washroom for Differently-Abled Students: In keeping with the school's commitment to inclusivity, a specially designed washroom for differently-abled students was constructed to ensure accessibility and convenience for all learners.

These infrastructural enhancements have significantly enriched the overall teaching-learning experience. By providing modern amenities and well-equipped facilities, the school continues to create a progressive environment that supports both academic achievement and co-curricular excellence.

NATIONAL AWARDS WON BY SCHOOL

We are very proud to state that our school was awarded the 'Best School Award' by the Education World in a vibrant program at New Delhi.

AWARDS WON BY TEACHERS

Our teachers, Mrs. Madhumita Chakraborty and Mrs. Sheetal Dave, were awarded Best Teacher honours by the Shivani Samiti at the Sikshadeep Samaroh on 5th December' 25. The event was organized at the auditorium of MAC College, Samta Colony, Raipur.

CBSE MATHEMATICS SCHOOL AWARD

Our school has been awarded the Mathematics School Award by the Central Board of Secondary Education, for promoting mathematics and our students have excelled and gained recognition in the Aryabhata Ganit Challenge for the consecutive two years.

Staff Strength and Composition

Strength of staff in the Institution: The institution is supported by a dedicated team of 130 staff members who contribute collectively to the effective functioning and growth of the school.

Subject Specialists: Our academic team comprises experienced and subject-specialized educators across various disciplines who employ innovative teaching strategies to ensure meaningful and engaging learning experiences.

Administrative and Auxiliary Staff: The smooth operation of the school is ensured by a proficient group of administrative personnel, counsellors, and helping staff who work collaboratively to support students and faculty members.

Learning Beyond the Classroom

Educational Visits: Our school organized many educational visits for Classes XI and XII. Faculty-wise, students visited different places along with the escort teachers to develop a better understanding of the projects, processing, workings and gain field knowledge at the ground level. It enabled students to connect classroom learning with real-world. They visited:

1. Godavari e-blu Plant, Naya Raipur (EV Production Facility)

2. Vaachan Milk Factory, Kharora (Modern Dairy & Milk Processing Plant)

3. Devbhog Milk Factory, Kumhari (Milk Processing Plant)

4. MATS University, Arang, Raipur to witness the MOOT court

5. Indira kala avam Sangeet Vishvavidyalaya, Khairagarh

6. Corporate Training by Indian Military Academy Alumni

Targeted Learning Interventions

Success Studio: Special classes titled ‘Success Studio’ were organised for more than a period of three months for the slow bloomers of class X. The initiative aimed at providing focused guidance, strengthening core concepts, and improving overall academic performance. Through interactive sessions and personalised attention, students were encouraged to overcome their learning gaps and build confidence. The programme proved to be beneficial in enhancing their understanding and motivating them to achieve better results.

Question Booklet: Question booklets of Science, Social Science, and Mathematics were specially prepared for academically weaker students of Class 10th. These booklets were designed by the experts of the subjects to provide focused practice, reinforce key concepts, and help students improve their performance. The structured questions and regular practice supported students in overcoming their difficulties and building confidence in the subjects.

Focus 20: Special classes titled ‘Focus 20’ were organised for students of Classes 6th, 7th, and 8th. These sessions were designed to provide targeted support, strengthen fundamental concepts, and enhance academic performance. Through structured guidance, regular practice, and individual attention, students were able to overcome their learning gaps and build confidence. The initiative proved effective in improving their understanding and overall progress.

Pedal Pe Medal Initiative

“Cycling is not merely a means of reaching a destination; it is a journey towards strength, discipline, and well-being.”

Pedal Pe Medal is a unique and inspiring initiative introduced by our honourable Singh Sir with the aim of encouraging students to adopt cycling as a regular mode of commuting to school. This thoughtful endeavour promotes a healthy lifestyle while fostering environmental consciousness among students.

Singh Sir strongly believes that beginning the day with a bicycle ride invigorates both the body and the mind, helping students to remain physically fit, mentally alert, and better prepared for the day’s learning. Cycling to school not only enhances overall health but also contributes positively to the environment by reducing pollution and promoting sustainable living.

Through this initiative, Singh Sir motivates students to view every pedal as a meaningful step towards personal growth and environmental responsibility. He encourages them to embrace cycling not merely as a means of transport but as a commitment to a greener, healthier, and more sustainable future.

To further motivate students, the school management offers an incentive of ₹1000 to students who purchase a new bicycle, along with an additional ₹1000 reward for those who regularly cycle to school throughout the academic session. This initiative has successfully inspired many students to adopt cycling and actively participate in the movement towards a healthier lifestyle and ecological sustainability.

Clubs for Holistic Development

To cultivate deeper interest, creativity, and commitment among students in diverse fields, the school has established thirteen specialised clubs, each designed to nurture specific talents and areas of learning. These include the **Literature Club, Maths Club, Science Club, Arts and Crafts Club, IT Club, Sanskar Club, Dakshin Kaushal Club, Nirbhaya Club, Magazine Club, Photography Club, Eco Club, Sports Club, and Info Club.**

These clubs serve as vibrant platforms that encourage students to explore their interests, discover their potential, and develop new skills beyond the traditional classroom environment. By actively participating in various club activities, discussions, projects, and events, students gain opportunities to express their creativity, enhance their knowledge, and collaborate effectively with their peers.

Through the dynamic functioning of these clubs, the school aims to promote experiential learning, leadership qualities, and a spirit of teamwork. Such initiatives play a significant role in nurturing both the academic abilities and the overall personality development of the students, preparing them to become confident, responsible, and well-rounded individuals.

Celebrations and Events

Celebration of National and Regional Festivals

The school proudly commemorates all national festivals with immense pride and reverence. Celebrations of Independence Day, Republic Day, and Gandhi Jayanti are observed with great enthusiasm, paying heartfelt tribute to the nation and honouring the sacrifices and contributions of our great leaders. These occasions instil a deep sense of patriotism, unity, and respect for the rich heritage of our country among the students.

In addition, the auspicious festival of Basant Panchami is celebrated every year with devotion and joy. On this sacred day, students and staff offer prayers to Goddess Saraswati, seeking her divine blessings for wisdom, knowledge, and enlightenment.

Celebration reflects the school's commitment to nurturing both cultural values and the pursuit of learning among its students. Therefore, the institute ensured vibrant celebrations in the premises for the following festivals and events too:

1. International Yoga Day
2. Guru Purnima
3. Ganesh Chaturthi
4. Navratri
5. Children's Day
6. State Formation Day
7. Christmas
8. International Youth Day
9. National Sports Day
10. Grandparent's Day

Annual Sports Meet – “Sportica 2025–26”

A two- day Annual Sports Meet, “Sportica 2025–26,” was held on 23rd & 24th December 2025 on the lush green grounds of The Great India School. The event commenced with the flag hoisting ceremony, followed by an inspiring address by the Chief Guests, Mr. Kunal Sharma, International Handball Player and Sub-Inspector CISF. Our alumni sports students Master Vikram Tiwari- National Tennis player and Coach, Master Mohammad Bilal – National Skating Champion & Master Malay Rathod – National Squash Player were invited and were honoured by our Chairman Acharya Surendra Pratap Singh Sir for their achievements.

The Chief Guest on 24 December was Major Dr. Kuldeep Dubey, Principal of St. Vincent Pallotti College and NCC Officer. In these two days, variety of thrilling sports competitions were organised, including shooting, discus throw, cricket, volleyball, flat race, relay race, tug of war, and many more. The centre of attraction were the games organised for the teachers. They participated in them with full enthusiasm and competition spirit. The atmosphere was filled with excitement, sportsmanship, and enthusiasm. The winners were felicitated by Chairperson Acharya Surendra Pratap Singh, and the chief guest Mr. Kunal Sharma on the inaugural day and Major Doctor Kuldeep Dubey Principal St. Vincent Pailoti and our honourable Principal Mrs. Neepa Chauhan on the closing day. Mother Teresa House proudly emerged as the champion, winning the Best Sports Performance Trophy for the session.

Under-17 Cricket Event

The CBSE East Zone Under-17 Cricket Tournament was held in August 2025 at Khurda, Odisha. Our students participated actively, showing great sportsmanship. **Chirag Narwani** was selected for the CBSE East Zone National Team. The event was successful and promoted healthy competition.

CBSE Cluster-II Basketball Championship 2025–26

Our school participated in the CBSE Cluster-II Basketball Championship 2025–26, held from 6th August 2025 to 8th August 2025 at Barabati Stadium, Cuttack, Odisha. A total of 26 participants represented our school, including 11 boys and 15 girls. We are proud to share that our Under-17 Girls team secured a place in the Top 8 out of 23 teams, demonstrating exceptional teamwork, discipline, and determination. Students competed in the following categories:

- Under-14 (Girls & Boys)
- Under-17 (Girls)
- Under-19 (Boys)

NCC - Two Years of Discipline & Service

We are proud to announce the completion of our 1st batch of the two years as a NCC school. Our senior batch graduated and appeared for the 'A' Certificate examination. The second batch got permission for the boy cadets as well. Thereby the junior batch has about 100 students comprising both boys and girls. This journey has been more than just drills and uniforms; it has been a masterclass in "Unity and Discipline." Our students successfully completed Annual Training Camp (ATC) at Lakholi, Piloted the commanding officers, attended the firing camp at Mana and the best part was the allotment of ranks. Students of our graduating batch also received the Best Cadet Award. These experiences pushed the students physical and mental limits through rigorous training and field exercises.

Commemoration of Special Days

Throughout the year, several significant occasions such as Science Day, Environment Day, Teachers' Day, Hareli, Subhash Chandra Bose Jayanti, Mathematics Day were celebrated with great enthusiasm. Each event was thoughtfully planned with activities aligned to the respective themes.

These celebrations included presentations, competitions, awareness programmes, and creative performances, helping students develop a deeper understanding of social, cultural, and environmental values while encouraging active participation and engagement.

Founder's Day Celebration

Founder's Day is commemorated every year with great reverence and enthusiasm within the school premises. This meaningful occasion coincides with the birth anniversary of our esteemed founder, Late Amita Singh Ma'am, whose vision and dedication laid the foundation of the institution.

The celebration serves as a tribute to her inspiring legacy and reminds the school community of the values and ideals she stood for. It strengthens the spirit of unity and motivates everyone to contribute towards the continued growth and excellence of the institution.

Class-Wise Assemblies

Regular class and section-wise assemblies are conducted in the school, providing students with a platform to showcase their talents and ideas. These assemblies feature skits, speeches, musical performances, thought-provoking presentations, and thematic showcases.

Such activities help students develop public speaking skills, teamwork, creativity, and confidence. By addressing various social, cultural, and educational themes, these assemblies create an engaging and inspiring learning environment.

Talent-Enriching Competitions

Recognising that every child possesses unique talents, the school organised a wide range of co-curricular competitions throughout the academic year to encourage creativity and self-expression.

Events such as Magazine Cover Designing, Extempore, Quiz, Speech, Photography, Newspaper Making, Cartoon Making, Rangoli, Garba, Book Mark Making, Poster Making, Drawing, Essay writing, Poetry Recitation and Slogan Writing were conducted with great enthusiasm. Students actively participated and displayed remarkable confidence, creativity, and skill.

These competitions provided an excellent platform for students to explore their abilities and showcase their diverse talents.

Festivities and Social Responsibility Initiatives

At Holy Hearts, celebrations are not only about joy and festivity but also about cultivating a sense of social responsibility and compassion. One of the most heart-warming initiatives organised every year is "Ek Diya Khushi Ka."

During this special activity, students decorate earthen lamps (diyas) which are then sold during the Diwali season. The proceeds collected from this initiative are donated to orphanages and old-age homes, spreading happiness among those in need.

Special Events

Investiture Ceremony 2025–26

The Investiture Ceremony for the academic session 2025–26 was held on 23rd July 2025 at Holy Hearts Educational Academy, Civil Lines with the theme 'From Learners to Leaders'. The event was graced by the presence of the Chairperson, Directors, Academic Head, Principal, Vice Principal and other esteemed faculty members.

The programme began with the lighting of the ceremonial lamp and a welcome song by the school choir. The newly elected Student Council members were adorned with sashes and badges, and the responsibilities were formally handed over to Head Boy Dilpreet Singh Saini and Head Girl Samriddhi Keswani. The council members took the oath of responsibility, pledging to uphold the values of the school.

Disha Bodh

A Disha Bodh program was organized at school on 19 April 2025. The chief guest, Shri Gulab Kothari, addressed the students and shared inspiring thoughts on life, values, and discipline. He emphasized the importance of a pure heart, respect for mothers, and service to society. The school management honoured the guest for his contribution to journalism. The program concluded with the presence of the principal, staff, and editorial members, making it a meaningful and successful event.

Visit of Brahmakumaris Sisters

On 21st April 2025, our school welcomed Sister Chetna and Sister Soumya from the Brahmakumari. Sister Chetna conducted an inspiring session for Classes 4th to 7th focusing on positive thinking, self-control, and goal-setting.

Through activities and examples, she motivated students to recognize their inner strength and values. The session was impactful and encouraging for all.

Exhibitions

Vigyan Jamboree 5.0

The annual science exhibition of our school, Vigyan Jamboree 5.0, was successfully organized on 30 November 2025, Sunday, in the school premises. The event was inaugurated by the esteemed Chief Guest, Dr. Garima Srivastava (B.P.T, M.P.T, Neuroscience, Psychosomatic Disorders). This year's exhibition witnessed an overwhelming participation of approximately 200 students from Classes 3 to 12. Altogether, 45 models were showcased in the exhibition. Young innovators enthusiastically showcased their scientific understanding and creativity through a wide range of working and static models.

IT Exhibition – TechBharat 2025

The IT Exhibition – TechBharat 2025 was successfully organized on 20th July 2025, providing a dynamic platform for students of classes 6 to 12 to showcase their talent in coding, AI, robotics, and hardware–software integration. The event was inaugurated by our esteemed Chief Guest, Dr. Abhishek Bhadoria, Head of the Department of Data Science and Artificial Intelligence, Shankaracharya College. TechBharat 2025 was not just an exhibition—it was a celebration of creativity, innovation, teamwork, and the bright future of technology.

A Grandeur Book Fair -Igniting Young Minds Through Reading.

To encourage a love for reading and to promote intellectual growth among students, a Book Fair was successfully organized in our school on 30th November 2025. The primary objective of the fair was to promote literacy, enhance knowledge, and cultivate a strong reading culture within the school community. The event was organized in collaboration with Scholastic Publications, renowned for offering high-quality educational and literary resources. The Book Fair witnessed active and enthusiastic participation from students, teachers, and parents, turning it into a vibrant learning experience. An impressive collection of books was displayed, including fiction, non-fiction, academic reference books, storybooks, biographies, general knowledge titles, and value-based literature.

CBSE Regional Science Exhibition

Our school participated in the CBSE Regional Science Exhibition held at KPS Dunda, where our two students showcased their innovative models. Himanshu Naulakha (Class 10-B) & Nitya Phatnani (Class 8-D) exhibited their innovative models. Both the students confidently explained their projects and received appreciation from judges and visitors. Their participation brought pride to our school and provided them valuable exposure to scientific creativity and innovation.

Training and Development Programmes

CBSE Capacity Building Program

A two-day CBSE Capacity Building Program on Mathematics was held on 10th and 11th June 2025 at Holy Hearts Educational Academy. The sessions, conducted by Mr. Fazlur Rahman Khan and Mr. Prince Singh, focused on improving teaching methods and classroom practices.

The training emphasized collaborative learning, use of ICT tools, and effective assessment techniques. It also highlighted modern approaches like Bloom's Taxonomy and Multiple Intelligences to enhance student learning.

The programme was informative and helped teachers adopt better strategies for effective teaching and assessment.

Science Workshop

A Science Workshop was held on 30th August 2025 at Holy Hearts Educational Academy, Raipur. Dr. Arindam Rana conducted engaging sessions with practical demonstrations on key scientific concepts.

The workshop was informative and enhanced participants' understanding and interest in science.

NEP Workshop by IITE Ahmedabad –

The teachers of Holy Hearts got a golden opportunity to attend two training sessions on the **National Education Policy (NEP) 2020**, conducted on **19th & 20th June 2025 at The Great India School** by Resource persons **Prof. Dr. R.C. Patel (Vice Chancellor), Dr. Sonal Thareja (Convener), Miss Mala Arora & Mr. Deepak Teraiya from IITE Gujarat**. The sessions aimed to familiarize educators with the vision, objectives, and implementation strategies of NEP 2020, and to equip them with the necessary understanding to align their practices with the new policy framework.

The training aimed to:

- To create awareness about the key provisions of NEP 2020.
- To understand the implications of the policy on school and higher education systems.
- To prepare teaching fraternity for effective policy implementation.
- To encourage discussion and address doubts related to the changes proposed in the policy.

Personal Safety Workshop

A Personal Safety Workshop was organised on 8th September 2025 at Holy Hearts Educational Academy for Class VI students. It focused on good touch and bad touch, safety at home and in public places, self-defence, and emergency tips.

Sugar Board Awareness Workshop

A workshop on establishing a Sugar Board was organised at Holy Hearts Educational Academy, Raipur, to reduce sugar intake among students. The session highlighted the harmful effects of added sugar on health.

Students actively participated, shared their views, and learned practical ways to adopt healthier habits. The workshop was fruitful, and the Sugar Board has been displayed in the school to promote ongoing awareness.

Workshop on Anti-Bullying

An anti-bullying session was conducted by Mrs Garima Singh in collaboration with the Nirbhaya club at Yoga Mandapam on 6th November 2025 to create awareness among students of classes 6th to 8th about the harmful effects of bullying and to make school a safe learning place. The attraction of the session was the Nukkad Natak staged by young students of class IV and V which effectively delivered the harmful impact of bullying on others. The one act play highlighted that bullying—whether physical, verbal, or online—can deeply affect a child's confidence and mental well-being.

Cosmo Mega Youth Festival

The Cosmo Mega Youth Festival was held on 31st August 2025 at the auditorium of MAC College, Samta Colony, Raipur (C.G.) with great enthusiasm. Students from various reputed schools participated in this inter-school event.

The festival included competitions like debate, quiz, Rubik's Cube, dance, music, art, drama, and drawing, painting, Open Your Mind, Debate & The Cosmo Tank that encouraged young entrepreneurs to showcase their brilliant business ideas. Our school actively participated and secured several prizes, and bagged the **second position and was awarded the "School of Schools" award**. The event provided a valuable platform for teamwork, sportsmanship, and cultural exchange among students.

Picnic & Educational Trip

School Picnic to Gangrel Dam, and Science Museum, Dhamtari

On 17th December 2026, our school organized a picnic to Gangrel Dam, Park and the Science Museum at Dhamtari. More than 400 students, accompanied by teachers and staff members, participated in this memorable picnic. Our first stop was Gangrel Dam, also known as the Mini Hirakud of Chhattisgarh. Students were amazed by the vast reservoir and learned about its importance in irrigation, electricity generation, and water supply. Next, we visited the nearby park, where students enjoyed recreational activities. The green surroundings provided a refreshing environment. Later, we visited the Science Museum at Dhamtari. The picnic was both educational and entertaining. It helped students learn beyond textbooks and develop curiosity, discipline, and teamwork.

An Ecological Adventure to Pench Tiger Reserve

Three days and two nights excursion trip from 18th to 20th November was organized by the school for the students of classes 6th to 12th. A group of 176 students and 10 teachers of our school embarked on an unforgettable educational journey to the **Pench National Park** in Madhya Pradesh. This renowned reserve, straddling the Satpura-Maikal ranges, is a vibrant tapestry of teak forest, flowing rivers, and rich biodiversity. The trip was designed to provide students with practical lessons in ecology and wildlife conservation as well as giving them an experience of wildlife photography, pottery skills and connecting classroom theory directly to the heart of the Indian wilderness.

Cultural Activities

SPICMACAY Programme

On 29th August 2025, a SPICMACAY programme was held at the school, featuring renowned Kuchipudi dancer T. Reddy Lakshmi. She presented a graceful and captivating performance, showcasing the beauty of Indian classical dance. She also interacted with students and shared insights about the art form. The programme was enriching and helped students develop an appreciation for Indian culture.

On 27th November eminent Baul singer, Shri Laxman Das Baul, a recipient of the prestigious *Bongobhushan* award graced the stage. He's known for his charismatic and high-pitched voice, and enthralled the audience with his soulful rendering of traditional Baul Kirtans and songs composed by revered poets like Sant Kabir and Rabindranath Tagore. He, expertly, used traditional folk instruments such as the tabla, flute, kartal, anandLajiri, dotara and ghungroo. The acoustic and melodious tunes created a tranquil and meditative atmosphere, allowing students to feel the depth and essence of the music.

Singing Stars of Holy Hearts: A Musical Tribute on Kargil Vijay Diwas

To commemorate the spirit of patriotism and remembrance, our school organized a vibrant Singing Competition titled “Singing Stars of Holy Hearts” on the occasion of Kargil Vijay Diwas, dated 26 July 2025, at the Yoga Mandapam. The event was conducted with the aim of honouring the bravery of our soldiers while nurturing the musical talents of students. The competition witnessed enthusiastic participation from students. Participants mesmerized the audience with their melodious voices and soulful renditions. The performances reflected confidence, dedication, and a deep appreciation for music. They were judged on the basis of voice quality, rhythm, expression, and overall presentation.

Kavi Sammellan-

On November 14, 2025, Children’s Day, the school hosted a grand children's poetry symposium titled **"Bal Kavya Kunj — Where Dreams Bloom in Words."** Thirty students from grades 6 to 10 presented impactful works across various genres, including humor, bravery, religion, patriotism, and children's poetry. The program aimed to foster a love for literature, enhance expression, and encourage public speaking skills.

Pre-Primary & Primary Wing – Activity Highlights of the Year

During the session 2025–26, the school organized a wide range of creative and co-curricular activities to promote holistic development among students. Activities such as Envelope Making and Quilling helped enhance fine motor skills, creativity, and understanding of basic concepts like shapes and symmetry. Handprint Animal and Dream Catcher activities encouraged imagination, colour exploration, and thematic expression, while Origami strengthened patience, precision, and spatial awareness. Competitions like Speech and Elocution played a vital role in building confidence, improving communication skills, and developing clarity of thought and expression. Artistic activities such as Leaf Ganesha Art, Mask Making, and Key Chain Making nurtured originality, cultural awareness, and a sense of accomplishment through hands-on learning. The Christmas Star Making activity further added a festive spirit, encouraging creativity, gratitude, and cultural understanding. Overall, these activities provided students with meaningful opportunities to explore their talents, build essential life skills, and develop confidence in a joyful and engaging environment. Other than this, activities such as clay modelling, painting, craft work, debates, quiz, and art competitions were organized to promote holistic development among students. These activities enhanced creativity, fine motor skills, critical thinking, and communication skills while encouraging confidence, teamwork, and self-expression. Students also learned the value of patience, planning, and transforming simple materials into meaningful creations, making learning joyful and engaging.

Sports Achievers

Sportsmanship transcends the boundaries of mere participation in games; it plays a vital role in shaping character, fostering resilience, and instilling a strong sense of discipline. Our students have made the institution proud through their outstanding achievements in sports and extracurricular activities at various levels. Their dedication, perseverance, and commitment to excellence truly reflect the spirit of sportsmanship. Our sports achievers for the session are:

- Rishwik Dixit – Archery Nationals
- Dipali Sahu – Karate Nationals
- Dilpreet Singh – Black Belt(International)
- Vikram Singh Baghel – Shooting – State Level
- Chirag Naswani CBSE Cluster – Cricket
- Reyansh Kulshreshtha – Squash
- Aaroahi Mishra – Karate State Level
- Hridaynath Anand – Badminton State Level

Our Academic Scholars

CA Finals Qualifiers

- Muskaan Kukreja
- Harshita Sethiya
- Priyal Dewangan
- Sambhav Begani

JEE Qualifiers

- Vedansh Jaiswal

CA Foundation Qualifiers

- Sourabh Panjwani
- Somya Hasiya

SLAT Pune, Hyderabad, Ahmedabad

- Abhinav Tiwari

- Sarthak Agrawal

Academic Excellence in Board Examination [2025-26]

The school achieved an excellent overall result in the CBSE Board Examinations for the session 2025–26. Class X recorded an outstanding overall result of 98.9%, while Class XII achieved a commendable overall result of 96.5%. The remarkable performance of the students reflects their hard work, perseverance and dedication, along with the sincere efforts of the teachers and the constant support of the parents. The achievement has added another glorious chapter to the academic excellence of the school.

Class X [2025-26]

Our Dedicated Educators and Support Team (2025–26)

The true strength of an institution lies in the commitment and expertise of its educators. At our school, a team of highly qualified and passionate teachers work diligently to create a stimulating and supportive learning environment. Their dedication extends beyond academic instruction, as they strive to nurture the intellectual, emotional, and social development of every student.

In conclusion, this academic year has been a journey of learning, growth, discipline, and achievement for our school. With the combined efforts of students, teachers, parents, and staff members, we successfully conducted various academic, cultural, sports, and co-curricular activities that contributed to the overall development of our students.

Our students have shown remarkable performance in academics as well as in extracurricular activities, bringing pride and recognition to the school. We remain committed to providing quality education, strong values, and a positive learning environment that encourages creativity, confidence, and responsibility.

We sincerely thank the management, teachers, parents, and well-wishers for their continuous support and cooperation throughout the year. We look forward to another successful year filled with new opportunities, greater achievements, and continued excellence.

“Together we learn, grow, and achieve.”

Thank you.
